

Looking for Building Permit History? Open and closed building permits?

Follow these QUICK, SIMPLE steps

1. Click on "[Click Here to View Online Portal](#)" link above
2. Sign up with a user ID and password, or login if you already have an ID and password.
3. If you know the permit number, enter it in the field marked "[Check a Status](#)" and click on the green "[Go](#)" button.
4. If you do not know the permit number, click on "[Full Permit Search](#)" and search by permit number, control number, project number, owner, address, etc.

There is NO CHARGE for this service.

If you have any questions about Building Permits, please contact the Department of Building, Planning, & Economic Development at (732) 827-2087
