

City of Rahway Engineering Department

Project Description Sheet

Project Type: Roads/Sidewalks Water Sanitary Storm Recreation/Parks Flood Other
Brennan Field- Splash Park

Project Title: Brennan Field

Project Limits:

Anticipated Start Date: August 15, 2022

Grants (if awarded):

Contractor: Picerno-Giordano Construction, Inc.

Description: The Mayor and Council are proud to announce the Brennan Splash Park slated to be opened the summer of 2023. The splash park will feature a multi-fixture accessible splash park area with various seating areas which will provide a fun, interactive, and accessible recreational space for the Rahway community. This splash park offers opportunities for children's sensory and mental growth to develop and community members to come together and socialize. The splash park was also designed with the environment in my mind by implementing a water recirculating system which filters and recirculates the water used for the park, reducing the environmental impact.
