How To Obtain A Handicapped Parking Space

The following must be submitted to the City Clerk:

1. Copy of current NJ Driver's License & Vehicle Registration
 - Vehicle Registration must be current and match the address where the request is for handicap parking.
2. Copy of NJ handicapped parking permit.
3. Authorization letter or prescription from doctor.
4. Letter requesting a parking space in front of the vehicle owner's address. Request must list the driver's name, address, and telephone number. If the car is not in the requestor's name, such as a family member, this needs to be noted in the letter alongside their relationship to the requestor.
 - ***NOTE:** Residence must not have an existing driveway.
 - ***NOTE:** *The parking space is not exclusive to the requestor.* Anyone with a handicap parking permit would be allowed to park in the designated space if it is approved.

If the request is approved by the Rahway Police Department Traffic Bureau, it will be submitted to the City Council for approval.

Adoption of an ordinance authorizing creation of the parking space generally takes 8-12 weeks from the time the request is filed.
